

Membership Application Walleyes for Northwest Wisconsin
2018-2019

Welcome to new and current members of Walleyes for Northwest Wisconsin as we begin another exciting year. Our primary goal is to promote and expand our local involvement and support. To reach out, we are asking for all of you to talk to friends, neighbors and local businesses and let them know what projects WFNW is working on.

Walleyes for Northwest Wisconsin (WFNW) was formed by a local group of anglers in 1994, who wanted to give something back to the sport of walleye fishing. The main purpose of the group was, and remains, to act as a vehicle for walleye enthusiasts to join together to protect and enhance the opportunity to catch walleyes now and in the future.

Walleyes for Northwest Wisconsin is an active, service oriented, non-profit, conservation organization. Our mission is "to improve walleye fishing in Northwest Wisconsin." We will accomplish this by supporting conservation practices, water quality efforts, habitat improvement, weed control projects, and working with the WDNR as needed to accomplish our mutual goals. We are committed to the education of young anglers and work to help them build a foundation of respect for the outdoors.

Our natural resources are not to be taken for granted. As of 2018, WFNW has contributed over \$700,000 to enhance and improve the local fishery. In order to continue these efforts, we need to expand our membership and would welcome you to join. The majority of our funds come from memberships and our annual Ice Fishing Event. As a 501-C3, your contribution to WFNW is tax deductible. Join today and see your support used in our local lakes and fisheries. Check out our website at WFNW.net! The membership year runs from Sept. 1st to August 31st, 2019. Please fill out the bottom portion and return along with your remittance to:
